

## ***Exec High Back Swivel Black, Cool Mesh Fabric (8014SBLK)***

The hours spent at the office can be full of stress, especially if the amount of work is increasing with every passing day. Installing comfortable furniture, especially chairs, becomes essential. This is why our company has introduced a range of unique and extremely soothing office furniture in their CoolMesh Pro Collection, and this high back, multi-function chair is just the right item for your office. In addition to offering a soothing seat, this chair also offers a relaxing back, and a lot of room for adjustment. With pneumatic seat height adjustment, seat and back adjustments, arm height adjustments and more, this chair has a lot to offer. Available in eight beautiful fabric seat upholstery options, this high back chair also offers an exceptionally eye-catching design that can add a lot of value to your workplace.
