

Laptop Stand with USB C 4K HDMI Display Hub

About this item

- This multi-angle stand is made of durable aluminum and can support a variety of items in addition to a laptop including tablets, books, etc.
- The integrated USB-C mini dock features a 4K HDMI output, two USB 5Gbps Type-A ports, as well as a USB-C port that supports 5Gbps data transfer rate and up to 100W pass-through, providing all the connectivity you need for enhanced productivity and to connect your peripherals.
- This versatile stand gives you the ability to create a more efficient workspace, whether you need extra space or a standing desk setup.
- Its foldable design allows for easy storage or transport, while the viewing angles and heights can be adjusted to fit your needs and optimize your viewing experience.
- Easily connect your Thunderbolt 3/4 or USB-C laptop with DP Alt mode to a 4K 30Hz display
